

**Central Gulf of Mexico - Center for Ocean Science Education Excellence
Scientist-Teacher Institute**

SCIENTIST APPLICATION FORM FOR THE 2004 SUMMER INSTITUTE @ LUMCON
Field Institute @ LUMCON: 5:00pm, June 20 – 4:30pm, June 25, 2004

Name: _____

Address: _____

City, State, and Zip: _____

Home Phone Number: _____ E-mail Address: _____

Name of Work Place: _____

Work Address: _____

City, State, and Zip: _____

Work Phone Number: _____

Please answer the following questions:

1) Is your institution/facility located in an inland or coastal area?

2) Do you currently teach? What level?

3) State your research areas of interest.

- 4) Are you willing to spend five days in residence for the field component working side by side with a middle school teacher and 10 days online for the virtual component of the course?
- 5) Will you commit to submitting an article or deliver a presentation at a state, regional or national conference with your teacher teammate?
- 6) How will your involvement in this effort facilitate your tenure process, if applicable?
- 7) Do you anticipate that this team effort with an educator might change your approach to instruction/teaching?
- 8) How will your involvement help "bridge the gap" between your research and the relevance of those data to all citizens?
- 9) How will your team involvement meet the educational needs of your funded research?
- 10) Do you plan to enroll for academic credit?
