

Applying at LSU

If you would like graduate college credit at LSU you need to apply (unless you are already enrolled in a degree program at LSU).

1. Go to the LSU web sit www.lsu.edu/
2. Click on **LSU A-Z**
3. Scroll down to **G**
4. Click on **Graduate School**
5. Click on **Graduate Admissions**
6. Click on **Application**
7. Click on **Application for Admission to Nondegree Programs**
8. Print out the Application and it should look like this

The image shows two pages of a form from Louisiana State University. The left page is the front cover, titled 'LOUISIANA STATE UNIVERSITY' and 'APPLICATION FOR ADMISSION TO NONDEGREE PROGRAMS'. It contains instructions for applicants and fields for personal information like name, address, and phone number. The right page is the back of the form, containing sections for 'ACADEMIC INFORMATION' and 'PROGRAM SELECTION'. It includes questions about previous education, standardized test scores, and the applicant's choice of program and semester.

9. **READ IT CAREFULLY**
10. Send in your non-refundable application fee of \$25 (check) to:
 Graduate School
 114 David Boyd Hall
 Louisiana State University
 Baton Rouge, LA 70803

***** BEFORE May 25, 2004*****

**This will be Oceanography & Coastal Science course
 OCS # 4010
 Section 1**

Call me with any questions. As soon as your application gets put into the LSU system, Ms. Clovier Tory in the registrar's office ((225)-578-3194) will set you up with a PAWS account. This is how you will pay for credit hours and receive your grades.
